

The Haiti Herald

The Next Generation

We are seeing such wonderful things happening with God's work in Haiti! As the ministry grows so does the need for assistance with the many facets of the ministry. The interactions with the Haitian staff of the hospital, the communication with Global Strategy, the connections with the non-profit in the US that helps manage the hospital (Mission Haiti Medical), the raising of finances for both ourselves and the hospital, and trying to maintain our professional licenses with the

mandatory continuing education are things that are taking cumulatively more and more time. For these reasons, we are asking that you join us in prayer to find a couple(s) or individual(s) to come alongside us here in Haiti. To ensure continuity and longevity of the hospital, it is not too soon to have the next generation of missionaries join us, as it can take a few years for them to climb the learning curve of Haiti. Please join us in the search and prayer for the one(s) God is preparing!

Prayer Requests & Praises

- Praises for the patients helped in Christ's name at the hospital
- Praises for the progress at the hospital (jobs and patient care)
- Prayers for the next generation of missionaries after us
- Prayers for the many patients who need care not available in this country

Partner together to provide healthcare in Haiti!

Prayer for Each Patient

We are often blessed with visiting surgical teams that come along side the hospital staff at Saintard, providing surgeries that are otherwise not available or affordable in the area. With each surgery, an elder in the local church prays for Christ's comfort and healing, and for the eternal hope given through Christ. We are excited that the local church is taking an active role in the spiritual care of the patients at Hôpital L'Eglise de Dieu Réformée!

Our Calendar

FEBRUARY 2-9
Surgical Team from Anderson, IN
Saintard, Haiti

FEBRUARY 24

APRIL 28
First Church of God
Bellefontaine, OH

Save the date! The annual Mission Haiti Medical Gala is April 28, 2019, at Madison Park Church of God! All the cool kids are going...

Family Brag Book Gram Arlene

Every time we travel back and forth to Haiti, Kathy's mom, Arlene, makes sure there is space in her garage to keep our car. In order to keep the battery viable in our hybrid vehicle, it needs to be started from time to time. Every week she starts the car to ensure the battery is fully charged when we come back to visit. This is but one of so many ways she makes sure we, and all her family, are loved and cared for. Her can-do spirit and spunk is an inspiration! Thanks for helping out with our car, and supporting us in so many other ways as a mom, grandma, and great-grandma! We love you!
